Resident Evil, known as Biohazard in Japan, is a Japanese horror video game series and media franchise created by Capcom. It consists of survival horror, . Like Capcom's Resident Evil 4, Konami's Resident Evil: Ultimate Edition is part of the Resident Evil franchise. Resident Evil: Ultimate Edition is a remaster of the original Resident Evil and includes Capcom's new version of Resident Evil 4. Resident Evil: Ultimate Edition was released in 2009, and for over 15 years since then, the franchise has remained popular with video game enthusiasts and fans alike.
