Supported Platforms: Windows XP SP2 Windows Vista Windows 7 Windows Server 2003 Windows Server 2008 User Review "Amazing application - saves me time and money. Highly recommended." Mark Gardener "I have used this program for the past two years and have saved so much time and money, I would recommend to anybody who would use it. It really rocks!" Alex Oberg "The main advantage of this program over the phone is, that you can send SMS from your PC with minimal effort and without having to visit the phone line." Patric Schreiber "I have used Ozeki Message Server over the past two years, and it has saved me countless hours of both effort and money. I can't recommend it enough." John Brooks "I have been using Ozeki for a couple of years, and it has been a great help to me. I receive many sales text messages every day and Ozeki enables me to do a lot of those online. I have recommended it to a lot of my contacts." Helen Cooper "I use Ozeki Message Server for about two years now. I have never found a better application for sending or receiving text messages." Dwijen Ravanahalli "Being the owner of a number of mobile phones, I was searching for an app to get SMS from my PC. Ozeki Message Server saves me a lot of time." Andreja Sliwko "Ozeki Message Server saves me a lot of time and money." Mark Jones "Ozeki Message Server is a great tool that I use for sending text messages from my PC to my mobile phone. It is very convenient and I recommend it to everybody." Andrii Zhoriyko "Ozeki Message Server is very useful and saves me time and money." Richard Stinson "I have been using Ozeki Message Server for the past two years. It really saves me a lot of time and money." Tony Hart "Being the owner of a number of mobile phones, I was searching for an app to get SMS from my PC. Ozeki Message Server saves me a lot of time." Andreja Sliwko �
