
MAGIC -CD De Jean-Marie Reynaud

The Bliss is offered with JM Reynaud's Magic Stands option (\$425) that... Its spacious soundstage is on par with the best I've heard from... The Bliss, considered by some critics to be one of the finest examples of progressive rock music, and "the most telling example that the music market is still capable of delivering a product capable of capturing the hearts and minds of an audience". Kerrang! magazine commented that "The Bliss" "makes you wonder what it means to be really popular and what you can do to make everyone dance to your tune."
